The apparent 'split' in humanity into transhuman & organic is addressed in esoteric literature as 'Planetary Bifurcation'. As an epoch comes to a close, spirits will gravitate towards ascention or towards regression. The regressive spirits will need to re-run the epoch. Sadly, religion has obfuscated the Truth that the foundation of everything Mike and Gregg talked about concerning our true nature as humans is very clearly described as the reality throughout the Bible. **Record after record shows that man obviously has inherent God-given power that far supersedes what we've been deceived into limiting ourselves to.**

I have had several back surgeries and a cervical fusion. I took pain meds for many years. I discovered DMSO about six months ago. I take it orally twice a day and I am pain free. I no longer take any pain meds! It’s amazing for chronic pain! Anyone having back pain needs to be taking DMSO. You will be so happy!!

So as a pilot (proof of concept) experiment, your glyphosate and chlorine dioxide setup is ok. Now I want to see you test a range of chlorine dioxide concentrations, ideally against the concentration of glyphosate you typically see on conventional produce. Then we'll know what concentration we actually need to make to be effective, since what you used here was extremely
